A WEDDING PEOPLE WILL KEEP TALKING ABOUT

Thanks to New Duo Soul our guests will never forget our wedding. Song after song after song they had everyone on the dance floor. They played all the crowd pleasers, entertained everyone, and were honestly the highlight of the wedding. They have an amazing presence, are incredible to work with, and exceeded all expectations!

NEW SOUL DUO ROCKS!

Wow! What an amazing job Vance & Tony did! Everyone sitting at their table had a blast chatting with them, they absolutely ROCKED every song, and kept all of our guests dancing the night away. Our day would not have been as much fun as it was without them. Thank you guys - you rock! :) - Shelbi & Nathan Bernhard

The compliment we get most about our wedding is about the band. When they played our wedding our guests were blown away by their talent and great set lists. People had fun and for us that was all that mattered, New Soul Duo made that happen. They are really nice guys, easy to deal with and made life easier for us. I would recommend them to anyone for any event. You will NOT be disappointed.

CANMORE WEDDING

One of the best investments made for our Canmore wedding. Their service made the reception that much better and fun. Professional and flexible. We had smaller venue and the band made it work nicely. I would definitely recommend them to others.

They were a great and relaxed band/DJ to have at our wedding. Even within the two weeks before the wedding they volunteered to learn and play not only our first dance song, but they also learned the father/daughter dance. They DJ'ed the wedding and it was simple and perfect, but the dance is where they really excelled at letting people have a good time!

THE HIGHLIGHT OF OUR CANMORE WEDDING

Vance, Tony and Aisha were a surprise treat to our guests. We had experienced a night out in Calgary and everyone loved them then as much as they did on our wedding day. Vance was extremely flexible and accommodating in planning the event. They were the easiest of all of our vendors to communicate with. We would recommend them 11/10.

Our guests and family could not stop talking about how nice it was to have live acoustics for our ceremony as well as a band for our cocktail hour & reception that knew all of the best songs and were able to keep the crowd going the whole night! If you are looking for an awesome band that are not only extremely talented but can keep the mood romantic at the ceremony & the party going all night do not look any further! You will NOT be disappointed!!!!!! Huge props to these guys =)

Your selection of music was great, along with your interactions with us and the guests. Everybody loved you guys, and couldn't stop talking about how great the entertainment was. So great, that all our guests were chanting for an encore after your set was finished. Thank you for travelling to Red Deer for us! Hopefully it won't be the last time you visit here for a show! - Carissa and Tyler
